THE MINNEAPOLIS STAR AND TRIBUNE

JOHN COWLES PRESIDENT June 28 1958

Mr. Allen W. Dulles Director Central Intelligence Agency Washington 25, D. C.

Dear Allen:

Thank you very much for your letter of June 22 saying that thus far you have no reason to believe that the blasting operations in China involved other than conventional explosives. I am glad to have my questions clarified.

With warm regards,

Sincerely.

John Cowles
